

AS A FA FOR MANY YEARS, THIS IS ONE THING NO ONE NEEDS ON A AIRPLANE. IT'S DIFFICULT ENOUGH KEEPING EVERYONE CALM AND FEELING SAFE. AND, ALL THE BUSINESS PEOPLE I'VE CHATTED WITH ABOUT CELL PHONES ON BOARD, DO NOT WANT THEM, EITHER. LET'S KEEP THE AIRPLANES AS SAFE AS POSSIBLE AND THE CUSTOMERS AS CALM, AS POSSIBLE. THERE IS NOTHING WORST THAN A PERSON CHATTING ON THE PHONE, WHEN PEOPLE ARE TRYING TO SLEEP, EAT, OR JUST RELAX. THANKS.
